

DCS, since its 2003 founding, has proudly supported the Healthcare and First Responders networks of this country to help facilitate their essential services. Since 2019, DCS has fulfilled over 17,000 of these such orders with the following States being the most frequent;

Being a Michigan-based company, DCS is particularly pleased to have supported over 400 unique Healthcare and 1<sup>st</sup> Responders in the State of Michigan. Below are just a few of the most respected Medical Facilities in the State, Region and Country which are on that list;

- CS Motts Children’s Hospital
- Sparrow Health System
- Mercy Health
- McLaren Hospital
- IHA
- Beaumont Health
- Henry Ford Health System
- University of Michigan
